Liberty Arena

Opened: December 2020

The \$65 million, 125,000-square-foot Liberty Arena is the home of the Liberty men's basketball, women's basketball and volleyball programs. The 4,000-seat venue features loge and club seating options. Other facility highlights include court projection technology and a Teraflex volleyball playing surface, providing a safe playing surface for the Lady Flames and their opponents and an attractive surface for fans. The Teraflex flooring, which is assembled in sections, is similar to that used by a majority of Power Five programs and the one utilized for the NCAA Division I Women's Volleyball Championship Region and Final Four rounds.
